

Catcher Vessel Checklist for 2018/19 Crab Rationalization Fisheries

Pre-Season

- ☐ ADF&G Fisheries Preseason Registration (by Sep 24) (Bristol Bay red king, eastern and western Bering Sea Tanner & Bering Sea snow crab only)

Before Fishing

National Marine Fisheries Service (NMFS)

- ☐ NMFS Federal Crab Vessel Permit
- ☐ NMFS Federal fisheries permit (if retaining groundfish for bait)
- ☐ NMFS IFQ permit
- ☐ NMFS IFQ hired master permit
- ☐ NMFS Daily Fishing Logbook
- ☐ Transmitting VMS (NMFS)

Commercial Fisheries Entry Commission (CFEC)

- ☐ CFEC triangle sticker (intact and legible) and plate (vessel registered)
- ☐ Valid ADF&G commercial fishing vessel number
- ☐ CFEC Interim Use Permit (Gear Card) (Separate card(s) required if fishing CDQ)

Alaska Department of Fish and Game (ADF&G)

- ☐ Determine if observer coverage is required. Please notify ADF&G observer program 10 days prior to fishing (Dutch Harbor).
- ☐ Pre-fishery inspection (aka tank check)
- ☐ ADF&G Vessel Registration (Dutch Harbor, Akutan, King Cove)
- ☐ File gear co-operative use form with ADF&G if other vessels will be sharing, operating, or transporting your gear

United States Coast Guard (USCG)

- ☐ USCG Commercial Fishing Vessel Safety Decal
- ☐ USCG notification 24 hours prior to leaving port with pots

After Fishing

- ☐ Check out with ADF&G within 72 hours of completion of fishing operations or gear storage – vessels can call as soon as they pull the last pot in a registration area.
- ☐ Gear must be in storage within 14 days after completion of fishing operations
- ☐ Registration becomes invalid after 14 days of inactivity
- ☐ Send in yellow logbook copies at end of quarter to NMFS. ADF&G requests the goldenrod observer copy of the logbook pages.

Notice – This synopsis provides a general overview as a public service. Other requirements may apply depending on circumstances. For exact regulatory language, please refer to www.fakr.noaa.gov, www.adfg.alaska.gov, or one of the numbers on the opposite side. 10/15/16
